

KloudNote

Portable electronic notebook and e-book

KloudNote is a professional e-notebook and e-book reader. KloudNote combines the simplicity and comfort of reading and writing in real paper with the ease of access of digital notes. KloudNote is how we learned to be productive in school and is how our minds enter a creative space that is free from distraction. KloudNote can visit the past notes and the e-book you have browsed at any time and any space.

- Glare-Free Screen
- No more notebooks and no more sticky notes
- Real-time cloud synchronization
- Easily make notes or tags on your e-books
- A smooth handwriting experience
- Preset Backgrounds for all Occasions
- An eye-friendly reading experience
- Share Your Display Wirelessly
